# WRENCH OF POWER: SPIN CYCLE

Written by

Bradley Carr

INT. LAUNDROMAT - NIGHT (PAST)

Daedelus, 20, and America, 20, watch laundry spin in machine. Year 2120. Skull art pained on there faces for halloween, day of dead. Each face half skull. Year 2180.

America gazes deeply into the spinning machine. News and sports on the television in the background.

EXT. SKY - SUNSET

The engine of an SR-71 blackbird spinning and burning hot.

INT. LAUNDROMAT - NIGHT (PAST)

DEADELUS
What are you thinking about?

AMERICA
Its classified.

DEADELUS
Dam that's romantic as fuck.

AMERICA
They accepted my application.

She shows him a letter from OMEGA US NAVY INTELLIGENCE.

They sit watching the spinning laundry machine. Her head resting on his shoulder, the whole time looking at machine.

DEADELUS
I'll kill somebody for you.

AMERICA
That's romantic.

EXT. FARM - DAY (FUTURE)

Thunder Road. Year 5o29. The farm is on fire, older Daedelus floats towards his mothers grave behind the farmhouse, Mother's ghost and America's ghost. War in space in sky.

DEADELUS (OLDER)
(young VO/text) I came as fast as I could. Accpuntability.

AMERICA (OLDER)
(young VO/text) It wasn't fast enough. You cant spell accountable.

EXT. FARM - DAY (PAST)

20 years old daedelus smashing everything thing in the barn with his wrench.

Ghost of old daedelus watching himself smash everything.

EXT. FLYING AIRPORT (PAST)

Slow rotating propeller blades break the skyline occasionally. It looks like a regular airport on land but its on a giant, flying glider airport. An SR-71 flies away.

Daedelus is repairing a vehicle with Felix. America approaches in omega us navy intelligence uniform.

AMERICA
You still don't have a washing machine.

DEADELUS
No.

AMERICA
That’s so dumb.

He stops working and looks at her. A propeller passes the skyline making a shadow that glints on the wrench and rings.

INT. LAUNDROMAT - SUNSET, (PAST)

The laundry machine spins. America in her civilian hoodie sweatshirt with tank top, exactly in the same place next to daedelus. Both exhausted watching the spinning clothes. 2182.

She is eating hot cheetos elotes (corn) in a cup.

DEADELUS
How did you know I didn't have a washing machine still? Are you spying on me? You want a divorce?

AMERICA
Yes Vato.

DEADELUS
What happened? So you WILL marry m-

She slaps her top clearance badge on his face.

INT. LAUNDROMAT SECURITY CAMERA

She covers her face and his face with her hoodie in the empty laundromat telling secrets.

EXT. FARM - MORNING (PAST)

Felix, a bellowing roaring worker with tattoos throttles his bike (CHROME-LOC) waiting for daedelus who jumps onto (POPYCLYPSE) an experimental bike from hell.

America laughs from a closing limo window driving away. She's back in omega intelligence uniform.

FELIX
Come on daed get up lets go!

EXT. FARM - DAY (FUTURE)(SIMULTANEOUS)

Daedelus, older, is on fire, the farm is on fire, its a memory. He is not burning, on fire floating towards them, his friend Felix and America, older and younger, oscillating, but they cant see him. the space war from 5o29 in the sky.

EXT. FARM - DAY (PAST)(SIMULTANEOUS)

2182. Americas limo drives away left (SOUTH) and Felix leaves on bike right (NORTH).

Young Daedelus roars after Felix on his bike right through the old daedelus walking there on fire.

An empty road on the farm paved in dirty Gold bricks.

APOLLO (V.O.)
The gold is the land. The gold is IN the LAND!

INT. LAUNDROMAT - NIGHT (YEAR NOT KNOWN)

Daedelus, older, wakes up to the spinning machine. Holiday season.

DEADELUS (V.O.)(OLDER)
The waiting hurts. I cant afford to be happy or sad. Ill just stay here.

He looks over, America, older, is in the same exact spot resting holding a hot chocolate, as if no war happened.
